Dear Mr. Harris,

I would like to express my deepest gratitude for your generosity in supporting the PA Nat'l Guard 110th Infantry with the donation of a bug zapper for their chow hall. Your kindness is greatly appreciated not only by Task Force Panther but From US to You as well.

Your gift made many Soldiers very happy. I have been told that the bug zapper is doing an excellent job at keeping pesky flies away. It is the spirit of Americans like yourself that keep our Troops morale high as they live daily in harm's way.

I personally appreciate your assistance in my efforts to find them a bug zapper and for supporting From US to You. We rely on the public to help us support our Troops and your kindness will not be forgotten. Thank you so much for your guidance and assistance in helping me achieve my goal of filling this fine group of Americans request.

With Best Regards,

Mary Ellen Wooten
